When he was admitted to other residents of Montreal have unthe house he let in his accomplice, who During the night he visited his grandmother's room, told her that his uncle Tom Dorriss was sick in his (the prissoner's) room. Without striking a ligh she went to the room, feit her way to was seized at once by a rough hand whole length of the castern side of the els. When she was stripped of her rings and was thrown upon the bed, life was extinct. McGlew then went to Mrs. Dorriss's room, got ber watch.

> she leaves a legacy to her grandson. Gen Dorriss was one of the largest negro traders in this country. Negro women with nursing infants used to command a low price, because no one wished to have the children about; but he bought all such slaves, and gave the babies to his wife to raise by bottle, while he sold the mother at a large profit. Mrs. Derriss kept the money the grown-up babies sold fer. He lavished wealth upon his family At a ball given in 1855 his daughter was so resplendent with diamonds that it was said worked hard to have Illinois made a consulted said, of consumption. slave State.
